

Clinical Psychologist

Children's Home Society of Missouri (CHS) is a local non-profit agency that serves children who have faced severe physical and emotional trauma in their life. We believe every child deserves BETTER no matter what the situation. A BETTER foundation, a BETTER life, and a BETTER future. And we know we have to be BETTER because kids DESERVE it. We understand the impact of a loving family and believe that every child should be part of one. And, our passion comes from knowing we can achieve this and that we can make a positive difference by empowering them to reach their full potential.

Children's Home Society of Missouri (CHS) is seeking a full-time Clinical Psychologist to perform psychological assessments for children under the age of 19 who have experienced significant complex trauma. The overarching philosophy of CHS is based on the work of the Child Trauma Academy and brain mapping using the Neuro-sequential Model of Therapeutics is included in evaluations as appropriate (Training will be provided to the successful candidate). A successful candidate will have experience and skills in psychological evaluation, have strong writing skills and a desire to participate in team collaboration and treatment delivery.

Not only will you have the opportunity to make an exceptional difference in children's lives, CHS offers a great working environment, a comprehensive benefits package including Medical, Dental, Vision, Life and LTD Insurance, 401(k) match, Holidays & PTO, Education Assistance, EAP, Disability Programs and a flexible Monday – Friday work schedule. Visit our website www.chsmo.org and our Facebook page to see the wonderful things we are doing in our community.
